Subject: Invitation to the 1M1B Summit at the United Nations, Geneva

Dear Krshay,

Greetings from 1M1B Foundation!

We are delighted to inform you that you have been selected to attend the **10th edition of the 1M1B Impact Summit**, at the **Palais des Nations, United Nations Office in Geneva (UNOG), Switzerland** on **20 November 2026** during **10:00 AM – 6:00 PM**.

This year's Summit is titled - "Bridging Divides: Youth Climate Diplomacy & Equitable AI". You have been invited based on your exceptional community project work towards advancing the United Nations Sustainable Development Goals (SDGs) and your inspiring role as a young changemaker through the 1M1B Changemakers Program. As we keep furthering 1M1B's mission of activating one million young leaders who will positively impact one billion people, we found your passion, dedication, ability to collaborate and most importantly your sensitivity to support the community very heartening.

We believe that your presence will be a great addition to the Summit, where you will join 500+ youth changemakers and leaders from across the world to share ideas, exchange perspectives, and showcase solutions for a sustainable future.

As a United Nations–accredited non-profit organisation having special consultative status with the UN Economic and Social Council (ECOSOC) and association with the UN Department of Global Communications, 1M1B has been hosting its annual Summits at the UN Headquarters in New York since 2014. This will be the second edition of the Summit being hosted in Geneva, and your participation will make this milestone even more meaningful.

We look forward to welcoming you to our Summit and seeing you present your project impact at the United Nations in Geneva as a representative of the next generation of human-centered leaders.

Yours sincerely,

Jonathan Flaks
