CERTIFICATE OF LEARNING WORKSHOP

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Krshay Venkatesan, Grade 12 student of KC High School, Chennai conducted an Introductory Workshop on the Applied Artificial Intelligence for about 80 students in Grade 8 and 9 of our school on 29 August 2026

The students benefitted from the interactive engagement with Krshay. They were taught a few complex AI concepts in a simple manner to solve relevant real time issues. We appreciate Krshay's resourcefulness and enthusiasm while engaging with our students and responding to their varied queries patiently.

We hope to have continued association with Krshay and make effective use of the Hands on Handbooks he has built for students and teachers.

We wish him well for the future.
