

EDUCATION

- KC High International School, Chennai, India since 2010

STANDARDIZED TESTS

- SAT 1570/1600
- IB Predicted 44/45
- IGCSE 9 A*
- AP Calculus BC - 5/5
- TOEFL iBT 6.0/6.0; 118/120
- PSAT 1440/1440
- AP Computer Science A - 5/5

ADDITIONAL CERTIFICATE COURSEWORK

- Linear Algebra, XM511 - Stanford Pre-Collegiate University-Level Online
- Introduction to Thermodynamics: Transferring Energy from Here to There - University of Michigan
- Introduction to Engineering Mechanics - Georgia Tech
- The Fundamentals of Aerospace - IIT Madras School Connect
- The Complete Python Bootcamp From Zero to Hero in Python - Udemy
- Arduino Intermediate Course & Quantum Computing Basics

INTERESTS

Formula 1

Trekking & Camping

Rap & Indie Music

Pickup Basketball

PROJECTS AND RESEARCH IN STEM

1. Sensor-Based ACL Rehabilitation Knee Sleeve (2025) |

3 hr/wk, 24 wk/yr

- Designed & built a dual-IMU based embedded system + flex-sensor ESP32 knee sleeve streaming over BLE, to quantify recovery metrics replacing the subjective eye test in ACL rehab; tested in clinics across Chennai.
- **Published in YSJ Vanderbilt (Young Scientist Journal) (Primary Researcher).**
- **Awarded the CREST Gold Award (British Science Association) (Developer).**

2. Chassis Vibration Analysis in Emergency Medical Vehicles (2026) |

2.5 hr/wk, 20 wk/yr

- Analyzed chassis vibrations in emergency medical vehicles as research intern under the R&D Head at Rambal Pvt. Ltd.
- Studied the effect of suspension types on chassis vibration during patient transport; signals analyzed using a DEP-CEEMDAN-MPE based IMF energy framework.
- **Accepted for publication in SAE International Technical Papers (Second Author).**

3. Composite Materials Adoption Study (2025-26) | 1 hr/wk, 52 wk/yr

- Applied PLS-SEM multivariate regression analysis to study adoption of composites in Aerospace and Automotive industries.
- Surveyed 74 industry professionals, measuring cost, durability and design factors.
- **Presented at IEEE I2ITCON conference in July 2026; accepted for publication in IEEE Journal (Primary Author).**

4. Molten Salt Reactor Feasibility Study (2024-25) | 2 hr/wk, 24 wk/yr

- Research paper on evaluating the feasibility of MSRs in order to achieve India's 2070 Net-Zero goal. Mentored by Dr. George Anwar (UC Berkeley).
- Evaluated Molten Salt Reactors against PHWRs and Small Modular Reactors on efficiency, safety, and cost.
- **Published in Princeton Journal of Interdisciplinary Research (Sole Author).**

5. Mechanical Spoon for Parkinson's Disease (2026) | 1.5 hr/wk, 24 wk/yr

- Designed and structurally analyzed a mechanical spoon to reduce eating tremors for individuals with Parkinson's Disease. Mentored by IISc researcher.
- Ran FEA on the structure against 4-6 Hz tremor frequencies and standard loads.
- **Published in The Oxford Journal of Student Scholarship (Sole Author, Designer and Structural Analyst).**

STEM AWARDS

- Asian International Mathematics Olympiad (AIMO) - National Gold Medalist (Pan India)
- Hong Kong International Mathematics Olympiad (HKIMO) - National Gold Medalist (Pan India)
- Canadian Computing Contest 2026 - Distinction
- Avogadro Chemistry Exam 2026 - Distinction
- Sir Isaac Newton Physics Exam 2026 - Distinction
- AMC 10 2024 - Highest Score (School); CEMC Pascal 2024 - Distinction
- Infinity Maths Competition 2024 - India South Zone Runner-Up
- Completed a 2-week summer camp on bio-inspired soft robotics at the Manipal Academy of Higher Education (MAHE)
- Completed a weeklong summer camp at NUS Singapore (Singapore International Science Camp)

PUBLIC SPEAKING AWARDS

- World Scholar's Cup - 13th in the World (Overall) for debating, essay writing and quiz challenge
- Trinity Communication & Acting Grades 1-7 (Distinction)
- Participated at HarvardMUN, CHEMUN and Indian Schools Debating Society (ISDS)

SPORTS AWARDS

- Karate DAN Black Belt

INTERNSHIPS

- Research Intern, Biomechanics at Centre of Excellence in Sports Science and Analytics (CESSA), **Indian Institute of Technology Madras (IIT Madras)**. Analyzed IMU gait data under Prof. Babji Srinivasan; compared 3 stride-segmentation methods and built a Mahony sensor-fusion filter | 2 hr/wk, 25 wk/yr | 2025 - 2026 (10 months)
- Research Internship at Rambal Private Limited (March 2026 - July 2026) | 2.5 hr/wk, 20 wk/yr
- Industrial Internship at Harmony Musicals (March 2024)

COMMUNITY IMPACT & LEADERSHIP PROJECTS

1. AI Toolkit for Application-Based Learning - Applied AI (2025 - ongoing) | 1.5 hr/wk, 32 wk/yr

- Designed an application-based 3-tier Applied AI curriculum aimed at reducing AI anxiety in rural India.
- Deploying in partnership with 1M1B Labs across NE India, with a pilot done at Young Scholars Academy, Bangalore (90 students) and Govt. Aided Devanga Higher Secondary School, Coimbatore (80 students).
- Selected to present the project at the 10th 1M1B Impact Summit at United Nations, Geneva on 20 November, 2026.

2. Re-Spectable (2025 - ongoing) | 1 hr/wk, 50 wk/yr

- Founder of non-profit Re-Spectable, working to provide spectacles to underprivileged people, in partnership with the Ophthalmology Dept. at VHS Chennai.
- Built a QR-code database with lensometer verification; 350+ donors & patients in 6 cities.

3. Student Council, KC High International School (2024 - ongoing) | 1 hr/wk, 40 wk/yr

- House Captain, Vice Captain, Sports Secretary positions.
- Elected to student leadership 3 consecutive years; led a house of 80+ students, organizing teams for sports, cultural and service events year-round.

SPORTS

1. Cricket - ongoing | 20 hr/wk, 50 wk/yr

- Aspiring professional cricketer; Tamil Nadu U14 & U16 State Probables; TNCA 5th and 3rd Division League teams.
- Represented Cricket Federation of India (CFI) Chennai district.
- Winner of multiple POTM and tournament MVP awards over a period of 6 years.

2. Athletics - ongoing

- Best Athlete U17 at International Schools Sports Organisation (ISSO) Nationals 2025 (1500m, 3000m and 800m).
- Represented ISSO India at ISF Gymnasiade Bahrain (affiliated to the International Olympic Committee) and selected to represent ISSO India at ISF Gymnasiade, Brazil (Dec 2026).
- Represented ISSO at SGFI Nationals 2024 and 2025.
